

Academic Integrity Statement

I, [First Name, Last Name] hereby affirm that the following [Bachelor's/Master's thesis] is entirely the result of my own independent academic work. I have not made use of any unauthorized sources or aids.

I have only used the references and resources cited. All passages that have been taken from other works or sources, whether word-for-word or in the spirit of their meaning, have been marked as such, with the references cited. This also applies to illustrations or content generated with artificial intelligence.

The acceptability or unacceptability of the use of artificial intelligence (AI) as an aid or resource was discussed and agreed upon with my primary thesis supervisor. Documentation of my use of AI resources and the way(s) in which I have cited and incorporated the content I created using AI-based tools into my work has also been discussed and agreed upon with my primary supervisor.

I am fully responsible for the content and quality of my work. This also includes any findings gleaned from AI tools. This work has not been previously submitted to any examination board in the same or similar form. I also certify that the paper version I have submitted corresponds to the electronic version.

I am fully aware that any violation of the principles of good academic practices will be penalized. I also consent that this work may be scanned with software to detect plagiarism or uncited references/aids, and may be archived for examination purposes.
